## Professional Summary

Certified Data Analyst and Economics graduate from Obafemi Awolowo University, with hands-on experience in property management, administration, and financial accountability. I'm Proficient in Microsoft Excel, Power BI, SQL, data cleaning, data modelling, and data transformation. I have Successfully completed 15 structured data analytics projects spanning supply chain analysis, financial performance, healthcare costs, e-commerce transactions, stock market trends, and aviation safety data. Bringing strong organisational ability, a data-informed approach to decision-making, and proven financial record-keeping.

## Core Competencies

- Data Analysis & Visualisation (Power BI, Excel, and SQL)
- Data Cleaning and Data Modelling
- Logistics & Operations Management
- Microsoft Office Suite (Word, Excel, PowerPoint)
- Graphic Design
- Property & Tenancy Management
- Financial Accountability & Record Keeping
- Leadership & Team Coordination
- Critical Thinking & Problem Solving
- Negotiation & Communication

## Work Experience

### Intern Data Analyst (Remote) @Bliss Analytics NG

January 2026 – June 2026

I Completed a structured 15-project data analytics internship under the Bliss Analytics Ng, covering real-world business datasets across multiple industries.

- Designed and published 15 interactive Excel and Power BI dashboards covering supply chain, e-commerce, retail, healthcare, aviation, finance, and HR domains.
- Key projects: Global Airplane Crashes & Fatalities Report, New York Stock Exchange Analysis, Car Sales Performance, Data Science Job Salaries, Student Mental Health & Academic Performance, Third-Party Travel Insurance, Medical Equipment Procurement, and more.

## *His Mercy Specialist Hospital & Residential Properties, Ile-Ife, Osun State, Nigeria*

### **Administrative & Accounting Role**

**2019 – 2022**

- I assisted in daily financial management and bookkeeping.
- I supported hospital administration, ensuring smooth day-to-day operations.
- I supervised hospital equipment and property maintenance.

### **Property & Tenancy Management**

**2018 – 2026**

- I manage the hospital's residential properties, tenants, and rent collection.
- I oversee tenancy agreements, property maintenance, and occupancy records.
- I handle accounting and financial documentation for tenancy operations.

Key achievement: I increased property income from ₦1,500,000 to over ₦2,500,000 through improved structural renovations and efficiency.

## **Leadership & Extracurricular Experience**

Technical Head, National Economics Students Association (NESA), OAU.

2023/2024

- I oversaw technical operations for departmental programmes and conferences including AESC 11.0.

Logistics Head, FYB Committee, NESA OAU

2023/2024

Organizing Secretary, National Fellowship of Economics Christian Students (NAFECS), OAU

2022/2023

Student Representative Council Member, NESA OAU

2022–2024

- I represented student interests and contributed to policy discussions and student welfare initiatives.
